Dear Gregory,

I would like to thank you for the incredible Zipline adventure we had in Manitou last month. I never would have imagined that skiing off the zipline could be so fun! The staff was amazing and very helpful as always. I look forward to doing it again next winter. The ziplines are truly a year round activity.

I will continue to use Adventures Out West for all of my adventure needs both personally and professionally. My clients especially love the hot air balloon rides.

Thanks for the Memories,

Kevin Cole
